Counsel appear as indicated above. Plaintiffs Mark Hale, Todd Shadle, and Laurie Loger are present. Objector Lisa Marlow and her counsel are not present.

Counsel present arguments in response to the objection filed November 17, 2018 (Doc. 961) and in support of approval of class settlement and an award of attorneys' fees.

As stated on the record, the Court finds the settlement agreement in this case to be fair, reasonable, and adequate and grants final approval of the settlement. The Court approves payment of service awards to the Class Representatives and grants the motion for attorneys' fees and expenses.

For the reasons stated on the record, the Court denies the objection to the settlement, and alternatively, upon Plaintiffs' oral motion, strikes the objection.
